

## 8.0 LIST OF PREPARERS

The following people were principally responsible for the preparation of the environmental document or the supporting technical studies and reports.

### Caltrans

April, Bruce – Senior Environmental Planner. Biology Resource Report; B.S. Biology, San Diego State University (SDSU); 11 years Caltrans experience.

Askew, Kent – Landscape Architect. Visual Impact Assessment; Licensed Landscape Architect RLA #4165; B.S. Botany; 7 years Caltrans experience.

Avila, Bob – Air and Noise Study Engineer. Traffic Noise Study; B.S. in Civil Engineering; 15 years Caltrans experience.

Barron, Claudia – Senior Graphic Artist. Graphics and Illustrations; B.F.A. and Illustration; 20 years experience in graphics; 9 years Caltrans experience.

Beare, Pam – Biologist. Biology study review; B.S., M.S. Biology from SDSU; 13 years experience in conducting biological studies in Southern California.

Carlin, Roger – Design Manager. Design oversight; B.S., M.S. in Civil Engineering from SDSU; 12 years Caltrans experience.

Chisholm, John – Senior Environmental Planner. Environmental Branch Chief and document oversight; M.A. Geography, SDSU; 13 years experience in environmental analysis.

Crafts, Karen – Associate Environmental Planner. Cultural Resource Study; B.A. Anthropology, SDSU; over 20 years archaeological experience in California and 15 years Caltrans experience.

Dallarda, Gustavo – Project Manager. Project management; BSCE: GWU and MSCE from Stanford University; 9 years in Design, Construction and Project Management at Caltrans.

Dauffenbach, Robert – Caltrans Relocation Specialist. Draft Relocation Impact Report; B.S., Business Administration/ Economics; 9 1/2 years Caltrans Right-of-Way experience.

Depue, Tracy – Permit and Mitigation Specialist. Permit reviews; 39 years Caltrans experience.

Egan, Joe – Senior Engineering Geologist. Preliminary Geotechnical Report Oversight; B.S. Geology; Registered geologist and certified engineering geologist; 34 years of Caltrans Experience and 27 years experience in Engineering Geology and Geotechnical Engineering.

Fisher, Jim – Environmental Planner. Architectural Survey Report; Ph.D., State University of New York, Stony Brook; 10 years Caltrans experience.

---

Gallagher, Dan – Associate Transportation Planner/ District Bicycle Coordinator. Visual Impact Report; B.S., Landscape Architecture, Arizona State University; M.A. Urban Planning, University of Virginia, Charlottesville, VA.; 3 years Caltrans experience.

Hajalilou, Leila – Transportation Engineer. Air Quality Report; B.S. in Civil Engineering/ California State University Sacramento; 3 years as Civil Transportation Engineer and 4 years as an Engineering Student Assistant.

Hinman, Brian – Associate Materials and Research Engineer. Preliminary Geotechnical Report; B.S. Geological Sciences, 1985, SDSU; B.S. Civil Engineering, 1991, SDSU; 7 years Caltrans experience.

Hull, Joe – Former Project Manager. Project management; B.S. Civil Engineering from SDSU; 15 years engineering experience, 14 years Caltrans experience.

Jewel, Karen – Hydraulics Senior. Hydraulic Location Study oversight; Transportation Engineer; B.S. Civil Engineering from SDSU; 9 years Caltrans experience.

Mady, Valerie – Project Engineer. Design study; B.S., Civil Engineering from SDSU; 9 years Caltrans experience.

Robinson, Tina – Associate Environmental Planner. Project Analyst and Document Preparer; M.B.A., Finance from UC Davis; 15 years Caltrans Environmental Analysis experience.

Saenz, Ronald A. – Environmental Planner. Project Analyst and Assistant Document Preparer; B.A. in Urban Studies and Planning from the University of California at San Diego; Master of City Planning degree from SDSU; 1 year Caltrans experience.

Threlkeld, Steve – Environmental Engineer. Hazardous Waste Initial Site Assessment oversight; B.S. Geophysics, SDSU 1985; Civil Engineer with Caltrans for 11 years.

Tonarely, John – Transportation Engineer. Hydraulic Location Study; A.S. in Land Surveying from Cuyamaca College, B.A. in Geography from SDSU; 15 years Engineering experience at Caltrans and 5 Years in Private Sector.

Kim, Weinstein – Senior Transportation Planner. Major Investment Study; B.A, Communications/ Economics from SDSU; M.S. Transportation Management from San Jose State University; 11 years at Caltrans.

Vazquez, Tim – Senior Environmental Planner. Peer Reviewer; 29 years experience in Environmental Analysis.

Vermuelen, Diane – Hazardous Waste Specialist. Hazardous Waste Initial Site Assessment; B.S. Civil Engineering from SDSU. 9 years Caltrans experience.

**Federal Highway Administration**

Lewis, Jeff – Senior Transportation Engineer. FHWA preparer; B.S. in Civil Engineering from the University of Missouri-Rolla; 21 years FHWA experience.

**Consultants**

Nordby, Chris – Principal Biologist. Wetland Delineation Study; Tierra Environmental Services.
